Historic bar business in the semi-central area of Salò with Enalotto license for sale.

The bar has been in management since the 90s, it has 2 windows on a busy road with public parking.

It has a terrace with annual license renewal that reaches up to the promenade on the lakeside of Salò.

The rent for the walls is €1300 per month and the drawer is certainly of interest commensurate with the request. Excellent proposal for a family management. The description, location and photographs are indicative and provided by appointment.
